In the Cafeteria Line
-a thoroughly modern gavotte in 3 turns

1 Oh God if only some guy'd come
along I'd jump on a
trashpile with him
and do it till infinity!

3 "How was everything?"

2 I'd fuck
a rat if it ran
through here.

3 "How was everything?"

2 "Peachy."

3 Rounding out
a week here. Jesus!
I'll never eat again.
